

How are Reach and ICAS different?

Reach Assessments

The must-have **annual assessment** tool for all schools.

Designed for benchmarking and measuring full-cohort **progress year-on-year**.

Comprehensive **online reporting** (including the tracking of student progression) available to teachers, students, parents and information on **full-cohort performance** for school leaders.

Learner-focused and suitable for **all students**. Catering to a wide range of academic abilities.

Sitting window for all subjects is open for an extended period of time, within the **first half of the academic year**, except for Writing which is open for **2 weeks only**.

7 subjects: English, Writing, Spelling, Grammar & Punctuation, Mathematics, Science and Digital Technologies.

Certificates can be downloaded and printed by the school, if required.

Product Similarities

Online test delivery

Scheduled ONCE per year

Compulsory locked-down browser – only for Writing and Spelling¹.

ICAS Assessments

An **annual** competition.

Designed for **recognising academic excellence** for high potential students.

All students receive a general overview of their performance and awards which can be used to build their **academic portfolios**.

Provides **additional challenge** and **extension** within a competition environment for high achieving students.

Sitting window for each subject is open for a **limited period**, at a specific time within each academic year.

6 subjects: English, Writing, Spelling, Mathematics, Science and Digital Technologies.

All students will receive **printed certificates of achievement**.

Highest performing students have an opportunity to **win medals** and **attend medal ceremonies** held annually.

¹ Applies to ICAS Spelling Bee, ICAS Writing, Reach Spelling and Reach Writing.
