1. Introduction

Janison Replay is a digital test delivery application that allows students to participate in the ICAS and Reach online assessments. Replay locks the device down so that the student can't access anything on their device outside of the app during the test.

Candidates undertake tests on Replay devices

1.1 System requirements for Replay installation

		☑ Software	Internet speed
•	iPad, iPad Air, iPad Pro	• iPad OS 16+	• Download: 300KB/s
•	iPad mini is not recommended due to smaller screen resolution		• Upload: 250KB/s+
•	Free disk space: 1GB+		

2. Installing Replay in an iOS device

To install and configure Replay on an iOS device:

2.1 Install Replay

1. Download from the link below from

Apple Store: https://apps.apple.com/au/app/janison-replay/id6470965376

- 2. Or search on App Store:
 - 1. Search for Janison Replay and then select the Get/Download icon.
